

Durham Distance Learning Schedule

Mondays

- Student contact through Advisory and then student engagement on assigned work
- Advisory teachers will make contact with each student in their advisory for help, problems, questions, or just check in. Time will vary.

Tuesdays-Fridays

- 60 minute class time available.
- Classes may not take the entire time.
- Log in time for the next class is expected on the “hour.”

Monday	8:00 -12:00	Advisors will meet with students during this time frame. Problems, communication, social emotional concerns or comprehension issues would be dealt with during advisory. Teachers may refer the student to another teacher or guidance counselor. Students are expected to work on assignments assigned through Acellus or Google classroom, if Acellus does not offer the course. Student time on task is a minimum of 4 hours in order to receive credit from the State for attendance and engagement.
