

REGISTRATION INFORMATION

2021-2022

Durham High School

GRADUATION REQUIREMENTS

- Successful completion of all mandated course requirements – state and district
- 230 minimum – 4 years English/3 years science/3 years math
- Must complete the Integrated Math I - state requirement – Ds and Fs don't count if college bound

TRANSCRIPT

A transcript is a “resume” or a paper trail of your work and knowledge that you gain during your high school career.

This is how you will “present” yourself to the next step, be it the military, a job or career, a trade or technical school, a community college, or a 4 year university or college.

A transcript is how you “compete” with the world for your next opportunity!

Make yourself competitive!

COLLEGE AND CAREER INDICATOR

- **The Standards CCI Model currently contains the following measures:**

- ✓ AP exam results
- ✓ CAASPP English language arts/literacy (ELA) and mathematics
- ✓ a-g completion – series of classes required to be eligible for CSU and UC colleges
- ✓ Career Technical Education (CTE) pathway completion - 2 or more courses in sequence
- ✓ State Seal of Bi-literacy – 2.0 in ELA; CAASPP ELA Met or Exceeded; AP exam in Foreign Language; 4 year course of study in World Language with a 3.0 or higher
- ✓ Dual Enrollment

Important Changes for 2021/2022

Students cannot TA (including Academic tutor, cross tutor, library, kitchen or office assistant) until Junior or Senior year. When eligible to TA, it can only be for 1 period per year. (*Classes without content are not looked favorably by colleges*).

- All Butte College courses need to be taken outside of the school day. (They will not count toward graduation). (Dual credit is the exception).

NEW COURSES

- Intro to Professional Music I and II
 - (RAP – Recording Arts Program)
- ASB Leadership
- WEE – Work Experience Education
- SOU Public Speaking – satisfies college requirement

CAREER TECHNICAL EDUCATION PATHWAYS

- Pathway connects high school coursework to community college pathways in order to move students into career opportunities they value or are economically needed.
 - Agriculture – FFA
 - Agriculture science pathway
 - Agriculture Floral Design
 - Agriculture – Agriculture Mechanics
 - Manufacturing – Skills USA
 - Welding and Materials Joining Manufacturing
 - Solidworks – 3 D printing and computer aided design
 - Graphic Production Technology
 - Exploring Career Technical Education
 - Arts, Media, and Entertainment – RAP – digital music production

NEXT STEPS

- Review your transcript – What are you missing?
- Find your GPA and class rank? Does it matter?
- Review or set your educational goals
- Find requirements for your course of study at college/trade or tech school/military or career
- Look at your testing requirements – SAT/ACT
- Firm up your post graduation plan
- Input a course on every blank

TESTING

- CAASPP – 11th grade math and English
- CAASPP used as a placement test going into college
- CAST – Required before graduation
- AP – Currently only testing in Spanish IV
- ASVAB – 11th grade
- PSAT – 10th grade
- ACT – Spring 11th grade
- SAT – Spring 11th grade

COURSE CATALOG

Packed with information regarding requirements for Durham and beyond.

- CSU/UC requirements
- College NCAA eligibility
- Durham requirements
- General Information
 - Dual enrollment
 - Drop dates
