

FFA/Ag Advisor

Ms. Hall

Ms Hall is originally from this area and went through the Chico High Ag program and was an active part of the Chico FFA organization. Her SAEs included market lambs for both the Silver Dollar and Butte County fairs, Floral and greenhouse production, a breeding ewe project and agricultural education. After receiving her American FFA Degree, she went on to attend Oklahoma State University where she received her bachelor's degree and teaching credential in Agricultural education with a concentration in animal science. She student taught at Norman High School in Norman Oklahoma. She is enjoying being close to family and friends here in California but will forever hold her time in Oklahoma close to heart. Her favorite part of FFA is helping students develop their SAE projects and finding something they are passionate about. Ms. Hall is looking forward to spending time with all of the new members and current members alike in the years to come!
