

# President

Lexi Vanella

**Lexi is a senior who has been dedicated to FFA since day one, and is currently Superior Region FFA's Reporter! Her SAEs include raising sheep and cattle to show at jackpots and sell at fairs. She also works at Chico Nut Company as an administrative assistant! She commits every Wednesday to practicing and competing on Durham FFA's Livestock Judging team and always encourages her fellow FFA members to be the best they can be. In her free time she enjoys traveling and surfing at the lake with her family and friends, as well as playing volleyball. We couldn't be more proud to have someone as amazing as Lexi as our President this year!**
