Matt Vanella

**Matt is a senior that enjoys football, working in his family's orchard, exploring, and traveling. He is a very active member in our chapter who participates in all sorts of FFA events including: Livestock Judging, Opening & Closing Ceremonies, as well as Jackpots. His favorite FFA event is State Conference. He is really looking forward to livestock judging events this year. Some of his SAE's include market steers, propagating willow trees and farming with his family. Matt is a great friend and makes sure that our members feel welcome as they pass through our doors!!**
